

Walmart Part No. 100606468, 100606469

Walmart Description

Basketball Goal Display (4 arms)

Basketball Goal Display (6 arms)

This assembly requires three associates.

Tools required:

mallet

(1) 3/8", (2) 7/16" & (2) 1/2" wrenches (for quicker assembly a socket wrench with a 3/8", 7/16" or 1/2" socket can be used)

(2) At least 6' tall ladders
Use 8' if available

Scan QR code or visit <http://www.ladarling.com/basketball-goal-display/> for a digital copy of the instruction sheets and assembly video.

Each step can be clicked on to jump to that portion of the assembly video.

Step 1: In backroom, have store assembler assemble rims and brackets to backboards per manufacturer instructions, and assemble goal hangers to each goal before the fixture is set on the floor. See pages 3-5 for detailed instructions to attach each goal to a hanger. Note: Some stores will receive a goal with backboard only.

FIXTURE HARDWARE KIT PARTS

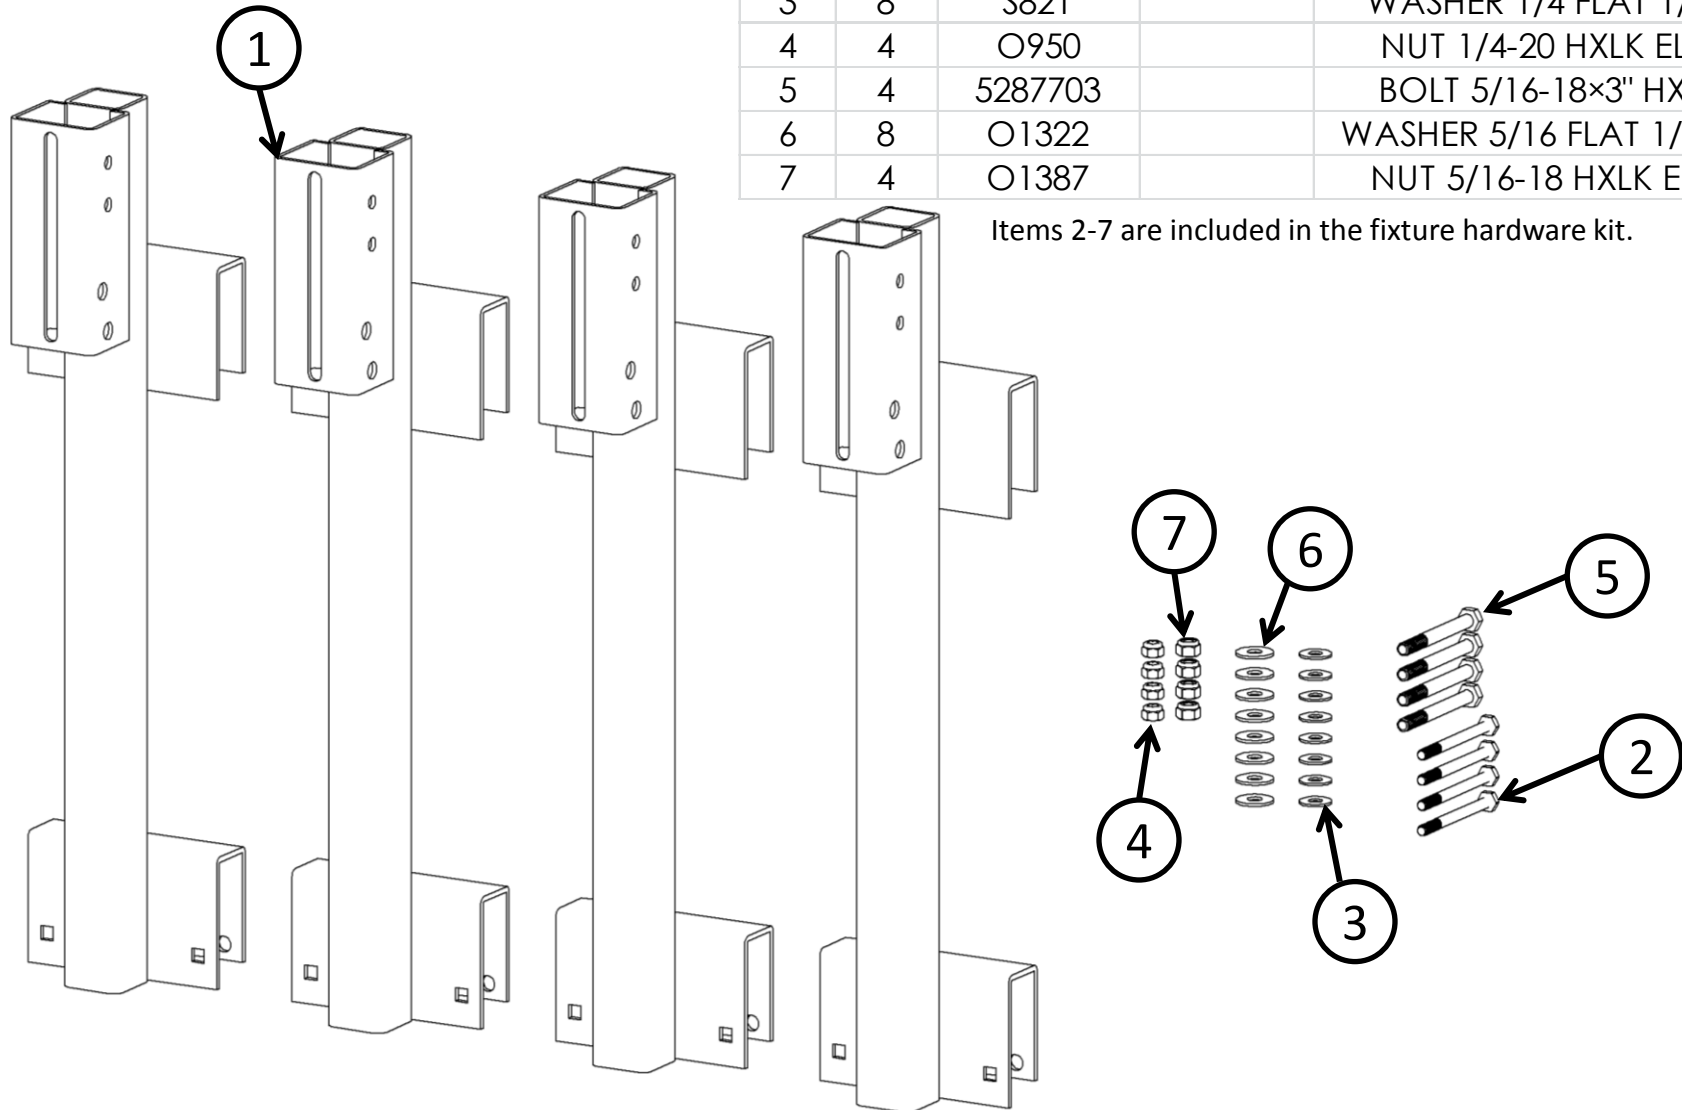

ITEM NO.	QTY.	PART NUMBER	DESCRIPTION
1	28	O1387	NUT 5/16-18 HXLK ELASTIC
2	4	O950	NUT 1/4-20 HXLK ELASTIC
3	32	O1322	WASHER 5/16 FLAT 1/16X11/16
4	8	S821	WASHER 1/4 FLAT 1/16X3/4
5	12	5353462	CARRIAGE BOLT 5/16-18 2"
6	4	528770134	BOLT 5/16-18x1 3/4" HXHDCP
7	4	5287703	BOLT 5/16-18x3" HXHDCP
8	4	5235213	BOLT 1/4-20x3" HXHDCP GD 5

Fixture parts required to attach Lifetime goals to hangers **Assemble in backroom**

ITEM NO.	QTY.	PART NUMBER	WM SAP NUMBER	DESCRIPTION
1	4	53550301		BB GOAL HANGER LIFETIME
2	4	5235213		BOLT 1/4-20×3" HXHDCP GD 5
3	8	S821		WASHER 1/4 FLAT 1/16X3/4
4	4	O950		NUT 1/4-20 HXLK ELASTIC
5	4	5287703		BOLT 5/16-18×3" HXHDCP
6	8	O1322		WASHER 5/16 FLAT 1/16X11/16
7	4	O1387		NUT 5/16-18 HXLK ELASTIC

Items 2-7 are included in the fixture hardware kit.

Lifetime 44" Goal (90670)

Note: The hardware for steps A & B is included in the Lifetime goal kit. Assemble in back room.

Step A: Insert rim through backboard. Attach rim to backboard using a 5/16"×3" carriage bolt, large washer, and nut.

Step B: Attach braces to backboard and rim as shown.

Note! The bolts between the braces and rim must face outward. This does not match the Lifetime instructions.

Step C: Attach lifetime hanger using 1/4"×3" bolt, (2) 1/4" washers, (2) 1/4" nuts, 5/16"×3" bolt, (2) 5/16" washers, and (2) 5/16" nuts.

5/16" bolt

1/4" bolt

Note! All other lifetime goals will also attach to a hanger with a 1/4"×3" bolt & 5/16"×3" bolt. The 5/16"×3" bolt goes in the lowest hole in the support bracket, and the 1/4"×3" bolt goes in the highest hole that aligns with the hanger.

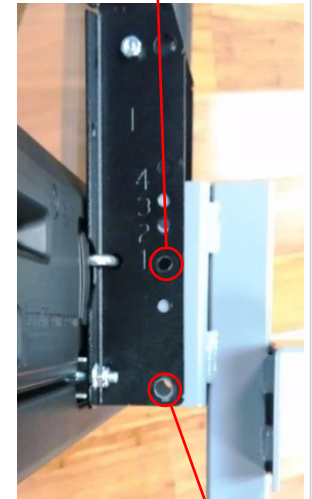

It will be necessary to remove any bolts used during assembly that will interfere with mounting the hanger.

Lifetime 46" goal

Remove this bolt and sleeve after goal assembly

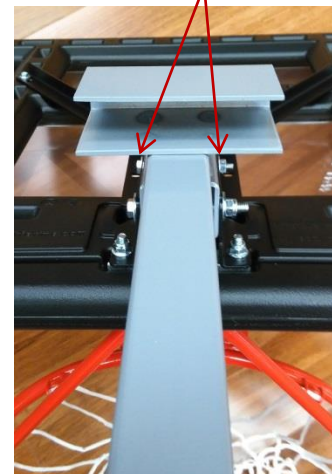

1/4" bolt hole

5/16" bolt hole

Washers both sides

Step 2: Verify that (4) corners of rack are anchored to the floor. If rack is not anchored to floor, inform a member of management. If not anchored, do not install display until anchored.

Anchor

Step 3: On sales floor, with (3) associates utilizing the two ladders, hook frame rail brackets into top slots on warehouse rack.

Ensure that bracket hooks are seated and locks are fully engaged.

Hooks

Lock

Step 4: Install top bars into top of frame rails. If necessary, use a mallet to drive top bars completely into frame rails.

Step 5: Attach bottom bars to frame rails using 5/16"×2" bolts, washers, and nuts.

Washer and nut on inside of fixture

Step 6: Place goals on basketball display as shown below. On the 6 goal display, install the 44" goals on the back side of the rack first.

When a side of the rack is across from the bike rack, the 44" goal (item number 554886809) with backboard only should be installed facing the bike rack. For display purposes only this goal will not come with rim.

Tips: The third associate will help lift the goals to the associates on ladders.

For increased safety, it is recommended to use a scissor lift when hanging goals above the exercise rack. Associates must NOT stand on the racks. Scissor lifts should only be utilized on the sales floor overnights.

Step 7: Secure each hanger with (2) 5/16"×2" carriage bolts, (2) 5/16" washers, and (2) 5/16" locknuts.

Step 8: Install medium sized signmolds (not included in kit), accurately priced, with zip ties for each goal. GNFR: 100564649, 16x13 black signmold 1pk
