 1 OF 4

Step 1: Locate Vignette Bases according to floor plan.

Step 2: Attach tie down plates where needed using provided flat head screws.

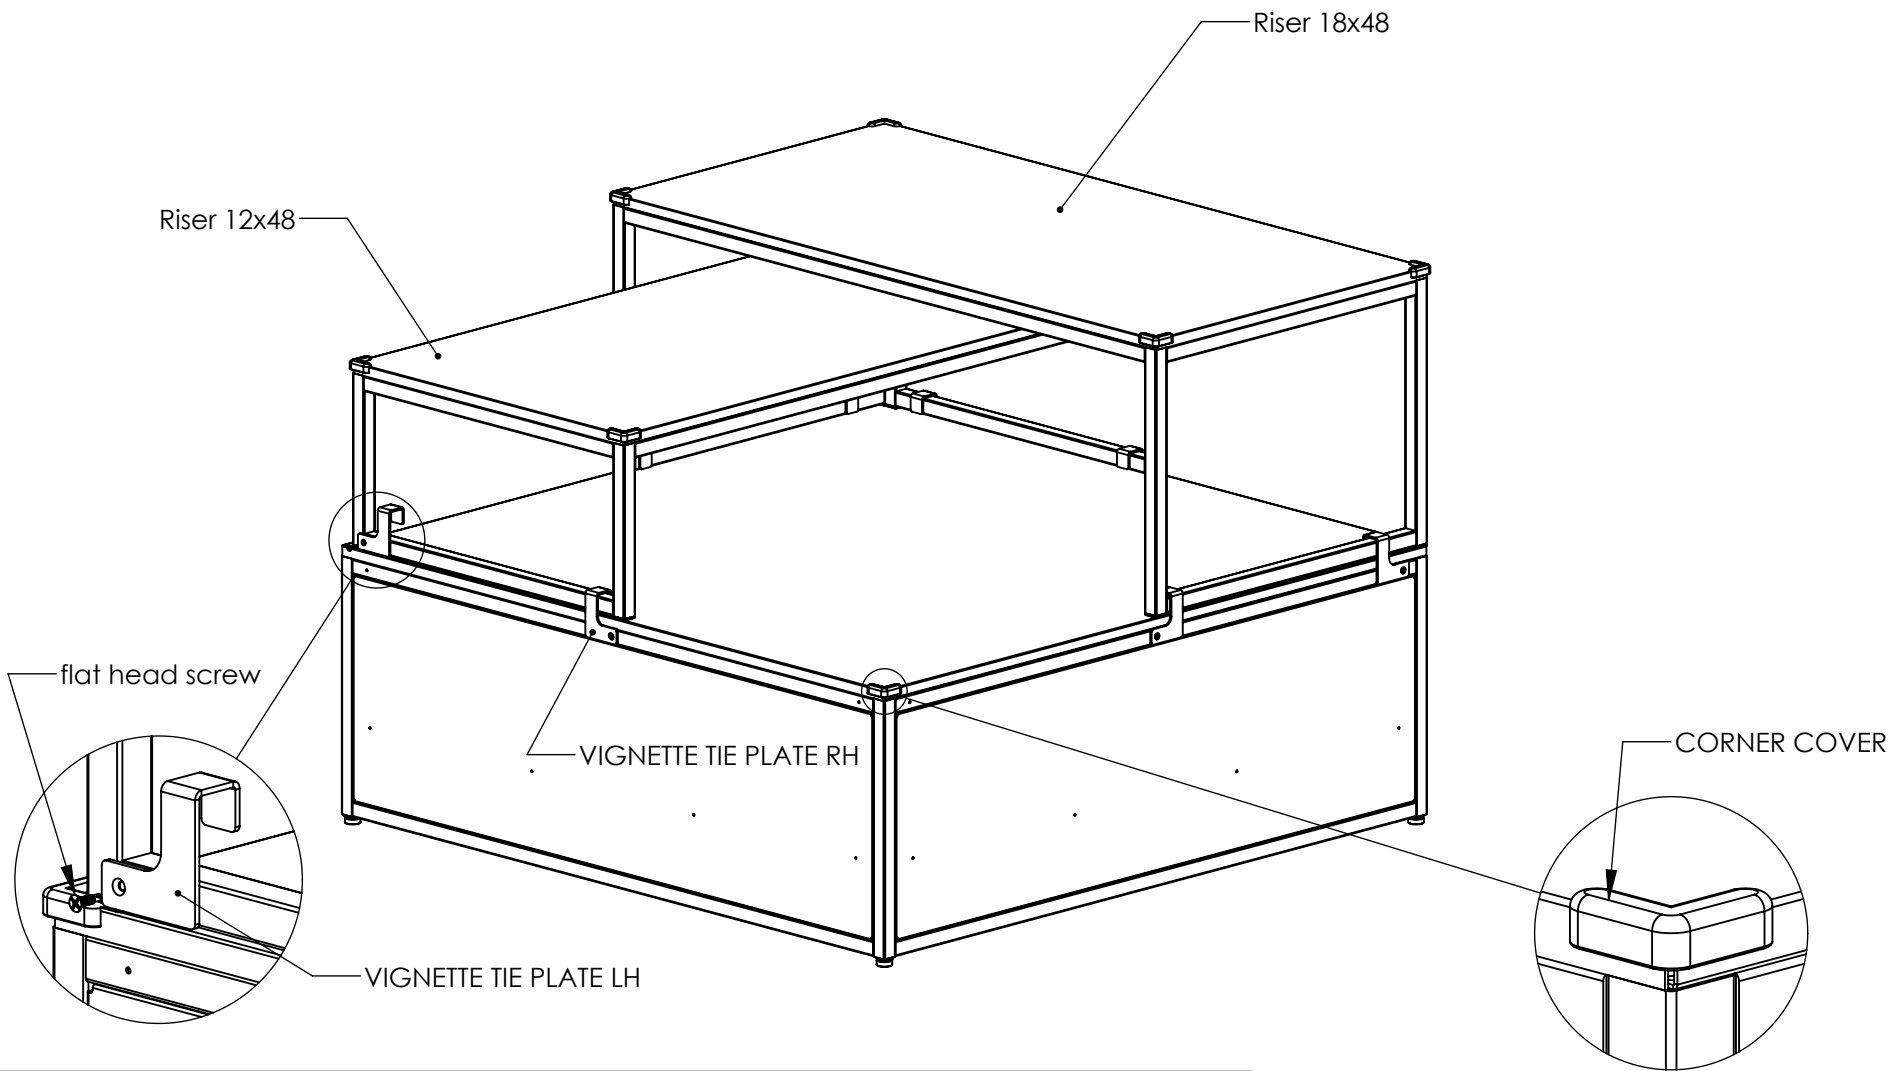

Step 3: Attach extender brackets to tie down plates where needed using provided 1/4"-20 screws and nuts.

Step 4: If multiple Vignette Bases are used, connect them using provided flat head screws and vignette tie plates.

Step 5: For displays that use Risers, attach Risers using a Vignette Tie Plate LH and a Vignette Tie Plate RH on each end of Riser with flat head screws. See page 4 for Vignette Risers with solid sides.

Step 6: Attach self-adhesive corner covers to exposed corners on Vignette Bases and Risers.
