General Information:

Product Liability Information:

This manual should be read before install of any checkout lanes and or cabinets. It contains cautions and warnings to observe, installation/layout drawings, and maintenance instructions. Failure to follow these instructions could cause personal injury, damage to the product, and could void warranty. Keep this manual with the units at all times for quick reference.

Specification Changes:

LA Darling's policy is to continuously look for improvements and update products as new technology, components, and materials become available. LA Darling, therefore, reserves the right to change certain specifications without prior notice.

- The following basic tools (not included) are needed for installation:
- #2 Phillips head screwdriver or # 2 Robertson head bit with driver.
- Level (4ft or small torpedo)
- Electric or cordless drill (for installing self tapping screws)
- (Optional) Silicone (for securing units to the floor without using concrete anchors)
- (Optional) Hammer Drill (for securing units to the floor using concrete anchors)

Receiving Instructions:

****WARNING****

<u>Never place or transport any cabinet on its side at any time.</u> This may result in <u>internal and/or external damage to the cabinet or its components.</u>

- 1. <u>Delivery</u>: Most LA Darling units are shipped banded and stretch wrapped to a pallet and shipped via pre-paid carrier in van or LTL shipments. Some models require varying degrees of assembly dependent upon model shipped, means, and destination of shipment.
- 2. <u>Major Component sorting and counting</u>: LA Darling units consist of major components and optional accessories that are to be installed after delivery. Identify and count all components after they are unloaded. Check quantities received and quantities shown on the Bill of lading. Any discrepancies should be noted, photographed and notification should be made with LA Darlings customer service team.
- 3. <u>Component Identification</u>: All items are shipped with a label showing their individual LA Darling part number and this number should be used to identify the component on the Bill of lading.
- 4. <u>Bill of Lading</u>: Examine all components for damage during unloading. If any damage is found, immediately notify the carrier and LA Darling Customer Service team. Document with photographs all damage. A description and the extent of the damage must be noted and acknowledged on the bill of lading and a copy given to the truck driver.
- 5. <u>Damaged materials</u>. All damaged materials are to be retained at the store until disposition advisement has been received from LA Darling.
- 6. <u>Direct drop shipments</u>: On some occasions, some items may be shipped separately from a separate location. When received, the same guidelines should be used to check for damages and correct quantities as before.
- 7. Failure to report damages or discrepancies at the time of delivery constitutes that all items were received in full and acceptable condition.

No shipping claims will be honored after signing off on bill of lading that all items were received and in acceptable condition unless approved by LA Darling.

Care and maintenance:

To maintain overall appearance and proper operation of your cabinets, please follow the recommended cleaning procedures on the materials that pertain to the type of material cleaning listed below.

DO NOT EVER USE ANY CHEMICALS OTHER THAN NOTED BELOW OF ANY KIND TO CLEAN. ALL CLEANING SHOULD BE DONE USING A SOFT CLOTH OR TOWEL WITH A NON-ABRASIVE MATERIAL.

Laminates/ Melamines/ Kydex surfaces

Clean as needed using a solution of mild dish washing liquid and water. Wipe completely dry with a soft non-abrasive cloth or towel. (Do not leave wet.)

Plexiglass/Lexan

Clean as needed using a non-abrasive ammonia cleaner and rinse with clean water. Wipe dry with a soft non-abrasive cloth or towel.

Painted Surfaces

Clean as needed using a solution of mild dish washing liquid and water.

For paint scratches

Obtain from local paint supplier. Using paint and paint brush, touch up as needed and allow for drying time as specified from paint can.

Stainless Steel Surfaces

Clean with non-abrasive ammonia cleaner and clean water. Wipe completely dry with a soft non-abrasive cloth or towel. WARNING: High-strength cleaners and some harsh cloths will scratch and damage the protective coating on stainless steel and make it susceptible to corrosion.

Warranty/ Terms and conditions of sale:

This document, including these Terms and Conditions (this "Agreement") supersedes all other agreements, oral or written, represents the final and complete understanding of the parties, and may be amended or cancelled only by written agreement signed by both parties. This agreement expressly limits acceptance to these terms; no other terms shall have any force or effect until acknowledged in writing by Seller. Any proposal for additional or different terms is hereby deemed material and is objected to and rejected. Unless otherwise stated herein, Buyer's receipt of any portion of the Goods shall constitute acceptance of this Agreement unless Buyer immediately rejects and returns all such Goods.

1. Limited Warranty:

a) Seller warrants that the Goods will conform to the descriptions and specifications incorporated herein, and will be free from defects in materials and workmanship under normal use and service for one year from the date of shipment. THESE ARE SELLER'S ONLY WARRANTIES. SELLER MAKES NO OTHER EXPRESS OR IMPLIED WARRANTIES WHATSOEVER. ALL IMPLIED WARRANTIES OF MERCHANTABILITY AND/OR FITNESS FOR A PARTICULAR PURPOSE ARE HEREBY DISCLAIMED AND EXCLUDED.

(b) If Buyer or any other person, without the prior written consent of Seller, repairs or modifies all or part of the Goods, or if the Goods are not installed or used in compliance with Seller's directions, this warranty shall be void.
(c) If Buyer notifies Seller in writing within the warranty period of a defect in materials or workmanship in any Goods, and if Seller determines that such Goods are not in accordance with the warranty, Seller will repair or replace, at its sole option, the defective goods provided Buyer returns such Goods to Seller's plant freight prepaid. No Goods shall be returned without Seller's prior approval. This shall be Buyer's exclusive remedy for seller's liability hereunder.
(d) Seller's liability to Buyer or anyone claiming through or on behalf of Buyer, with respect to any claim or loss arising out of this transaction or alleged to have resulted from an act or omission or Seller, whether negligent or otherwise, and whether in tort, contract or otherwise, including failure to deliver, delay in delivery, or breach of warranty, shall be limited to an amount equal to the purchase price of the Goods or part thereof with respect to which such liability is claimed or, where appropriate and at the option of Seller, to replacement of the Goods or part hereof. IN NO EVENT SHALL SELLER BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES, OR EXPENSES ARISING OUT OF THIS TRANSACTION.

2. Indemnification:

(a) If any Goods are to be furnished to Buyer's designs, Buyer agrees to defend, indemnify and save Seller harmless against all liabilities and expenses resulting from any claim that such Goods infringe upon any patents or other intellectual property rights held by third parties. Buyer also agrees to defend, indemnify and hold harmless against all claims and expenses arising out of the mishandling, abuse or misuse of the Goods and if installation of the Goods was not done by Seller's agents, also against any claims and expenses arising out of such installation.

(b) Excluding Goods manufactured to Buyer's designs, Seller shall defend, at its expense, any suit or proceeding brought against Buyer claiming that the Goods infringe upon any patents or other intellectual property rights held by third parties, provided that Seller is promptly notified of such claim. If the Goods are deemed to infringe, Seller shall, at its expense and sole option, either procure for Buyer the right to continue using the Goods, replace them with non-infringing Goods, modify them so they become non-infringing, or remove them and refund the purchase price to Buyer.

3. <u>Risk of Loss:</u>

All risk of loss or damage to Goods shall pass to Buyer upon delivery to Buyer or its designated agent, or to a carrier for delivery to Buyer, whichever first occurs. Buyer shall be responsible for filing and prosecuting any claim for damage or loss in transit directly with the carrier.

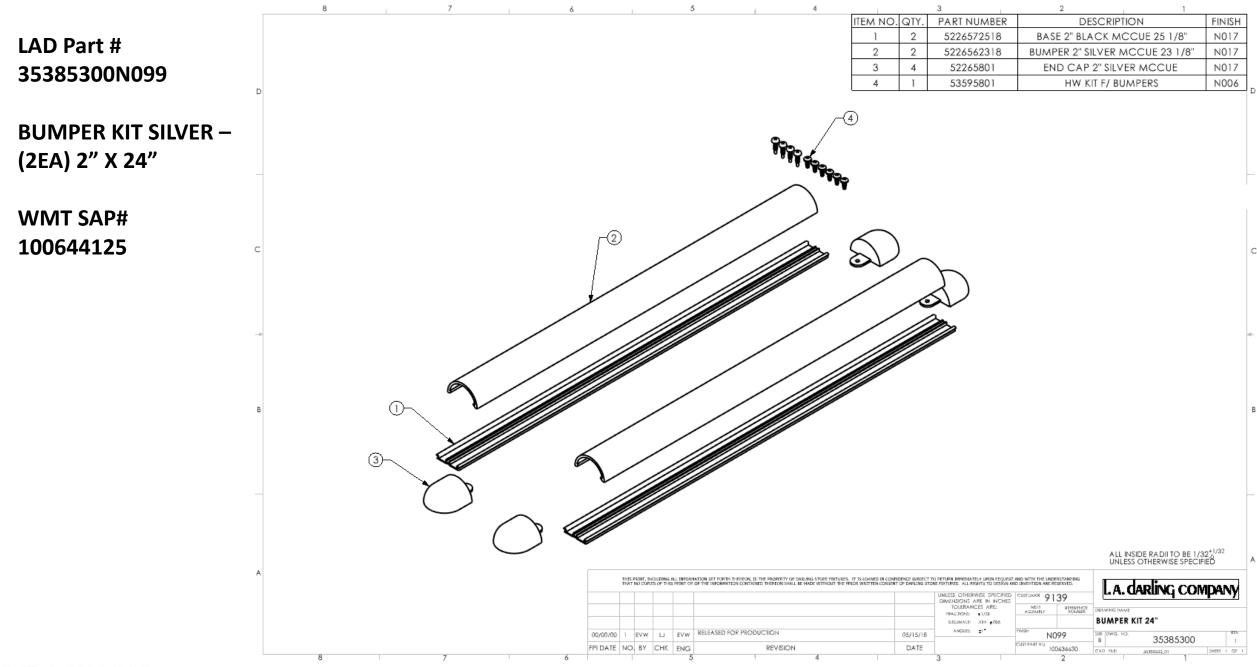

4. Delivery and Delays:

All shipping and delivery dates are estimated and are based upon prompt receipt of all necessary information from Buyer. Seller shall not be liable for any delay in or failure of performance due to any contingency beyond Seller's reasonable control, including (but not limited to) acts of God, civil commotion, labor disputes, explosions, fires, flooding, embargoes, delay of carriers, or government regulations or requirements whether valid or invalid. Orders changed by Buyer within (2) weeks of shipment date will be subject to charges.

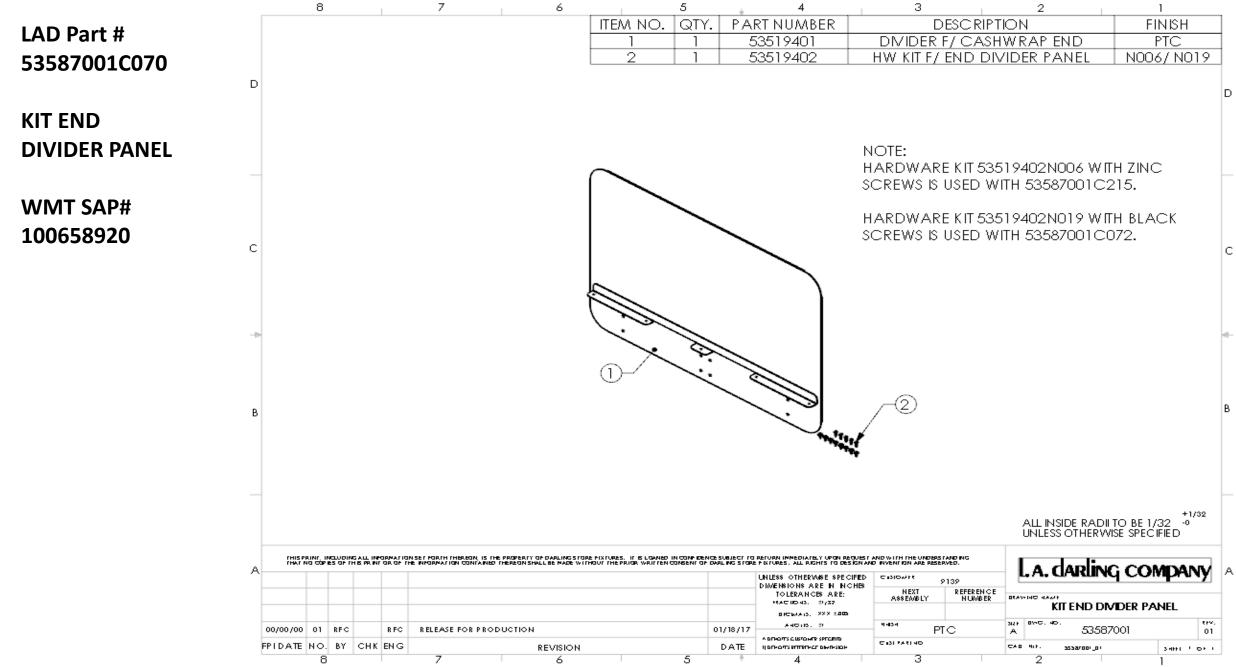

5. <u>Returns:</u>

Non-standard fixtures manufactured to Buyer's designs and specifications are not subject to return, cancellation, change reduction in quantity or suspension of deliveries. No returns are allowed unless approved in writing by Seller's Return Goods Authorization. A re-packing and restocking charge of 20% of the invoice price will be assessed on all returned Goods, and only unused, undamaged merchandise in the original packaging will be authorized for return. Product returned that is store specific such as cabinets and kiosks with store specific locks and keys will be assessed a 40% restocking fee. Damaged products will be disposed of at L.A. Darling's discretion.
