INSTALL INLINE PANEL, PANEL RETAINER, SIDE DECKS

STEP 4: Slide panel into upright channels.

STEP 5: Install top panel retainer by inserting tabs into top of upright. Ensure that the channel is centered and use a rubber mallet to tap down to complete retainer installation.

STEP 6: Install the Decks by tilting deck up and inserting hook on back of deck into the slot just above the upright base leg. (See "Detail B"). Lower the deck until it rests on base legs and between tabs on the upright base leg tubes.
